REMARKS

On 2 June 1981, OGC advised that as a result of the meeting on 29 May he has been tasked to begin the preparation of an entirely new draft of Executive Order 12065. The purpose is to not so much tinker with the existing Executive Order as to write a totally new one; however, the new draft will incorporate most of the substance of the present Executive Order. The result is we can stand down for the time being on any concerns associated with the attached draft.
